The Rouge Forum and the Whole Schooling Consortium think that public schools can do better than standardized education and testing. We invite you to join us in ending the MEAP Madness and bringing forward real learning.

Some questions to be addressed:

- What do we know about standardized education and testing?
- Where do we go from here and how do we get there?

When: February 2, 2001; 10:00-3:00 PM

Where: Wayne State University, Undergraduate
Library, 3rd Floor, Community Room
